

Complaints Policy

Purpose

This policy outlines the process for our stakeholders who wish to make a complaint and the process for managing complaints received by CoAct. The process is designed to ensure that concerns raised are treated seriously, addressed promptly and fairly and that any learnings contribute to our continuous improvement.

Scope

This policy applies to complaints received by CoAct from its customers (job seekers), member organisations, service partners, employers, suppliers and other related third parties. The policy covers formal, written complaints in relation to the following:

- Actions or behaviours of CoAct;
- Actions or behaviours of individual employees, Board members, business contractors and volunteers of CoAct;
- Actions or behaviours of CoAct's Service Partner organisations and/or staff in relation to service delivery of contracts held through CoAct.

This policy does not apply to complaints made by employees of CoAct, which are covered by the Grievance and Investigation Policy.

Policy

CoAct values all those we work with and the contribution that they make to our success.

It is recognised that, from time to time, stakeholders may be dissatisfied with CoAct's services or actions and may wish to express their concern and seek a resolution. CoAct aims to address each concern respectfully and to work towards a resolution within the parameters of any relevant contract between the parties.

All complaints will be accepted by CoAct and dealt with in a respectful and timely manner.

It is expected that complaints are made in good faith and not motivated by personal gain or malicious intent.

Where the matter cannot be resolved at an operational level, the affected party/parties may choose to submit a formal, written complaint.

Complaints Policy

1. Customer Complaints in relation to Service Delivery of Programs Delivered through or by CoAct.

1.1. Making a Complaint

Each program has a customer feedback/complaints guide and supporting process in line with the relevant contract Deed.

Upon commencement into a program, customers are provided with the funder's complaint form and CoAct's feedback form. In addition to this, feedback posters are displayed in all offices. Customers should refer to these in the first instance with respect to the process for raising complaints or making feedback to ensure efficient processing and effective management.

1.2. Management of Complaints - Disability Employment Services (DES), jobactive, Transition to Work, Smart, Skilled Hired Programs

CoAct Service Partners delivering the above programs are required to record compliments, observations, complaints and incidents in CoAct's Online Feedback Register with feedback managed and escalated in accordance with the processes outlined in CoAct's Service Delivery Process - Customer Feedback. The service delivery processes are supported by The CoAct Way guides, which assist staff to ensure feedback is captured, managed and escalated in accordance with CoAct's policies and the obligations under the relevant Deed.

Service Partners should refer to the CoAct Customer Feedback Process and supporting CoAct Way Guides for further information:

Per the process, copies of all complaints assessed as urgent are also provided to CoAct's Chief Operations Officer.

2.1. Making a Complaint

CoAct encourages persons at first instance to contact and try to resolve the complaint directly with the person/s concerned.

Complaints Policy

At any time, however, a formal complaint may be submitted in writing to the CEO at the following address:

Chief Executive Officer
CoAct
PO Box K43
Haymarket, NSW, 1240

Or via email at mail@coact.org.au.

If the complaint relates to the CEO, the complaint should be addressed to the Chair of the Board.

CoAct will accept anonymous complaints, however, the investigation process in such circumstances may be limited as CoAct cannot establish contact to obtain further information. Anonymous complaints will be investigated; however, if the initial investigation of the complaint does not support the claims made, the complaint will be considered resolved.

2.2. Managing Complaints

The complaints management process will be guided by the following principles:

- The person making the complaint will be treated fairly and without fear of recrimination;
- The complaint will be acknowledged within 5 business days of receipt;
- Where an investigation is required, it will be objective, impartial, clearly documented and managed in accordance with CoAct's Privacy Policy and any relevant contract between the parties;
- CoAct will attempt to provide a written response to all complaints within 14 days. More complex complaints may require more time to investigate and in such circumstances CoAct will communicate the revised timeframe expectations.

3. CoAct Member Complaints

3.1. Making a Complaint

CoAct encourages member organisations at first instance to contact and try to resolve the complaint directly with the person/s concerned.

At any time, however, a formal complaint may be submitted in writing to the CEO where a member organisation considers that CoAct has:

- Failed to meet its obligations under the relevant subcontractor agreement; or
- Failed to operate consistently with the reasonable expectations of the Company's core documents.

The CoAct CEO will acknowledge the complaint within 2 days of receipt.

If the complaint relates to the CEO, the complaint should be addressed to the Chair of the Board.

The CEO (or Chair if the complaint relates to the CEO) will arrange an investigation of the issues to attempt to resolve the matter.

Complaints Policy

3.2. Consideration by the Board

If after 14 days the matter has not been resolved (or within such further period as the parties agree) or the member making the complaint is dissatisfied with the CEO's response, the member can advise the CEO that they wish the matter to be considered by the Board. Details of the complaint must be provided in writing for consideration by the Board.

The CEO will place the complaint on the next Board agenda and ensure that any supporting documents are circulated with the Board papers.

At the discretion of the Chair, it may be decided to call a special Board meeting to consider the matter.

The member will be advised as to when the matter will be considered by the Board.

The Board will consider the complaint in accordance with the Constitution, Membership Charter, relevant contract, and policies of the Company.

The Board's response will be communicated to the member by the CEO or the Chair within 5 days of the Board's consideration.

3.3. Dispute Resolution

Where it has not been possible to reach an acceptable solution, as per the Constitution and member subcontract the parties may agree to activate the Dispute Resolution process through the Australian Disputes Centre.

4. Complaints Registers

Complaints received from **customers** are recorded within the relevant registers and in accordance with the applicable policies for each program.

The Quality Assurance Team conducts periodic feedback analysis to determine trends and identify areas for improvement.

Formal, written complaints from **members, service partners, employers, suppliers or other third parties** are recorded in CoAct's Corporate Complaints Register.

The Corporate Complaints Register will be reviewed by the Governance Committee on a periodic basis as part of its responsibility for membership and compliance issues.

5. Continuous Improvement
